As providers were previously notified in Web Announcement 1082:

- Effective March 1, 2016, all hospice providers are required to use Nevada Medicaid's forms for hospice requests, elections or certifications. These forms are available under "Hospice Forms" on the Providers Forms webpage at <https://www.medicaid.nv.gov/providers/forms/forms.aspx>.
- Effective April 1, 2016, hospice requests, elections or certifications submitted on any previous versions of the forms will be returned to the provider and the provider will need to resubmit the request on the updated form.
